ABOUT SHITORYU KARATE ASSOCIATION

The Shitoryu Karate Association, formerly known as Singapore Karate Association, was established in 1964 by a group of law enforcement officers. They understood the importance of martial arts, not only as a form of exercise but also, for the purpose of self-defence.

During the period from 1967 to 1977, the Association engaged the services of five Japanese instructors: Sensei K Oda, Sensei K Kawata, Sensei Ishikawa, Sensei T Yoneda and Sensei T Shintani to raise the standard of karate and promote the Shitoryu style of karate-do among Singaporeans.

In 1978, under the direction of Sensei Wong Tuang Seng & Sensei Victor Sim, the association hosted the 1st Asian Shitoryu Karate-do Championships. This championship saw the gathering of Shitoryu clubs from Hong Kong, Indonesia, India, Malaysia and Japan, paving the way for the formation of the Asian Shitoryu Karate-do Federation. Now known as Asia-Pacific Shitoryu Karate-do Federation (APSKF), it boasts 27 affiliates from the Asian region.

Since the establishment of APSKF, the association has hosted 5 APSKF championships, 6 seminars and 1 symposium. In December 2014, the Association will celebrate its 50th anniversary and to commemorate this significant occasion, we will be hosting the 14th APSKF Championships & Technical Seminar from 10th – 15th December 2014.

We hope this championship will provide an opportunity for friendly competition and the forging of closer ties with other karate practitioners from all over the world.
